CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET

CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By Order of the Board
Gameone Holdings Limited
Sze Yan Ngai
Chairman

This appendix serves as an explanatory statement as required under the GEM Listing Rules to provide the requisite information to the Shareholders for consideration of the Repurchase Mandate pursuant to Rule 13.08 of the GEM Listing Rules.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 160,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of AGM, the Company will be allowed to repurchase a maximum of 16,000,000 Shares during the Relevant Period.

2. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and Shareholders as a whole.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during the period from the Listing Date to the Latest Practicable Date were as follows:

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

8. MATERIAL ADVERSE CHANGE

As compared with the financial position of the Company as at 31 December 2016 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

9. SHARE REPURCHASE MADE BY THE COMPANY
